Schuyler County Sheriff Michael J. Maloney has listed below some of the rules and regulations that should be followed by boat owners using the waters of Lamoka and Waneta Lakes. The Sheriff's Department also has a Navigational unit and boat patrol to assist the cottagers on the lakes in the event of an emergency and also to provide protection and safety for the people using the lakes.

In the event that you have an emergency on Lamoka or Waneta Lake please dial 535-6642 which is the central emergency number. By dialing this number the Sheriff's Department can dispatch fire apparatus, ambulances or police to the scene of any emergency.

REGISTRATION LAW

New York State law requires that every mechanically-propelled vessel operated on the navigable waters of the state, or on any other waters, within the boundaries of the state (except those waters which are privately owned and not used by the public) shall be registered and numbered. No person may operate or give permission for the operation of any motor driven vessel on state waters unless it is registered and numbered in accordance with the law. The registration certificate must be on board whenever the vessel is in operation and must be available at all times for inspection.

WHO MUST REGISTER

In New York State all owners of mechanically-propelled vessels (except documented vessels) are required to register their boats. There are no size or horsepower limitations. Sailboats, which use auxiliary power, either inboard or outboard must also be registered.

RULES OF THE ROAD

Signals

-- One blast means "I am directing my course to starboard (right)" except in crossing situations when it signifies the intention of the vessel to starboard to hold

course and speed.

-- Two blasts mean "I am directing my course to port (left)."

-- Three blasts mean "My engines are going full speed astern."

-- DANGER SIGNAL - Several (not less than five) short and rapid blasts.

Reduced Visibility Signals

In fog or other types of reduced visibility, travel at reduced speed and sound one prolonged blast of whistle every minute. When towing in reduced visibility, sound one prolonged and two short blasts every minute. When anchored in fog, ring bell or sound other warning signal for at least five seconds each minute.

Crossing Situations

The boat to starboard (right side) has the right of way and must hold course and speed. The burdened vessel shall keep clear and pass astern of the privileged vessel.

Meeting Situations

A - In meeting head-on both vessels shall turn to starboard (right) and pass port to port. The signal in this situation is one blast on the whistle indicated by either boat and answered by the other craft.

B - When vessels are already far enough to starboard (right) of each other as not to be considered meeting head-on either boat shall initiate a two blast signal which shall be answered by the other with two blasts and they shall pass starboard to starboard (no course change necessary).

Passing Situations

The vessel being overtaken has the right of way. Overtaking vessel signals with one blast of whistle for passing on starboard (right) side of the boat ahead and two blasts for passing on port (left) side on the boat ahead. If overtaken, vessel answers with like signal and other boat may pass. If overtaken vessel sounds danger

signal other vessel may not pass until such time as the
overtaken craft initiates appropriate passing signals.

Sailing Vessels

Sailing craft shall have the right of way over mechanic-
ally propelled vessels except when overtaking. This
rule shall not be construed as giving a sailing vessel
the right to hamper, in a narrow channel, the safe pas-
sage of a larger craft or mechanically propelled vessels
which can navigate only inside such a channel.

SPEED AND RECKLESS OPERATION

Vessels shall be operated in a careful and prudent
manner at all times and at such rate of speed as not to
unreasonably interfere with the free and proper use of
the navigable waters of the State or unreasonably en-
danger any craft or person.

No vessel shall be operated within one hundred feet
of the shore, a dock, pier, raft, float or anchored boat
at a speed exceeding five miles per hour.

WATER SKIING

There shall be two persons in a boat that is towing a
water skier, one to operate the boat and the other to
observe the progress and safety of the skier. The ob-
server must be 10 or more years of age.

Water skiing is prohibited from sunset to one hour
after sunrise on all navigable waters of the State.

Persons waterskiing on the inland waters of Chau-
taugua County or on the waters of Lake George are re-
quired to wear a life preserver, life belt, or similar de-
vice.

A water skier shall not manipulate his skis in such a
manner as to endanger the life or property of another
person.

ACCIDENTS

The operator of a vessel involved in an accident
must stop and render assistance to other persons af-
fected by the accident as may be practical and neces-
sary in order to prevent further injury and to minimize

any danger resulting from the accident.

He shall exhibit the certificate of registration for the
vessel and also give his name, address and the number
of his boat in writing to any person injured and to the
owner of any property damaged in the accident.

Whenever any vessel, including rowboats and
canoes, meets with an accident involving a loss of
\$100.00, the operator of the vessel must file a report
with the Bureau of Law Enforcement within seven
days.

In the event the person injured or the owner of prop-
erty damaged in an accident cannot be located at the
site, then the operator of the vessel involved shall
report the accident to the nearest policy agency within
24 hours.

If a boating accident involves death or disap-
pearance of a person, the authorities must be notified
immediately by the quickest means possible, followed
by a written report within 48 hours.

If the operator of a vessel involved in an accident is
physically incapable of filing a report, then other parti-
cipants in the boat involved or the owner of the boat
shall file the report in the operator's stead.

AGE OF OPERATOR

Children under the age of 10 may not operate a
mechanically-propelled vessel in New York State
waters unless accompanied by a person over the age of
16.

Persons age 10 to 16 may not operate a mechanical-
ly-propelled vessel in New York State waters unless he
or she is the holder of a boating safety certificate or
unless accompanied by a person over the age of 16.

To obtain the boating safety certificate, youngsters
age 10 to 16 must take the New York State Young
Boatman's Safety Course which is taught throughout
the state by volunteer instructors. Information on the
course may be obtained by writing to Parks and Re-
creation Education and Safety Section, Empire State
Plaza, Albany, N.Y. 12228.

BOATING COURSES

Courses for adults are offered without charge in every part of the state by the Coast Guard Auxiliary, the U.S. Power Squadron and other organizations. To register in these courses which cover small craft operation and maintenance, navigation and mechanics, consult the local unit of these voluntary organizations.

RULES FOR SAILING VESSELS

When two sailing vessels are approaching one another, so as to involve risk of collision, one of them shall keep out of the way of the other as follows:

A vessel which is running free shall keep out of the

way of a vessel which is closehauled.

A vessel which is closehauled on the port tack shall keep out of the way of a vessel which is closehauled on the starboard tack.

When both are running free, with the wind on different sides, the vessel which has the wind on the port side shall keep out of the way of the other.

When both are running free, with the wind on the same side, the vessel which is to windward shall keep out of the way of the vessel which is to leeward.

A vessel which has the wind aft shall keep out of the way of the other vessel.

POST OFFICE ADDRESSES OF LAKE PROPERTIES

The normal addresses are shown here but individuals may elect to have their mail delivered elsewhere.

Lamoka Lake	RD 1, Bradford, N.Y. 14815
Waneta Lake East	RD 1, Dundee, N.Y. 14837
Waneta Lake West	RD 1, Hammondsport, N.Y. 14840

This directory has been compiled by personal contacts and by checking records of Lamoka-Waneta Lake property owners. If you have records that would improve the accuracy of compiling the directory, we would appreciate your letting us know.

For corrections or additions concerning this directory, information should be sent to Mrs. Barbara Little, Executive Secretary, RD 1, Dundee, N.Y. 14837.

We would like to thank all persons who have assisted in the compiling of this directory. We would also like to thank all persons and businesses who have obtained advertising and for their apparent concern in promoting conveniences for Lamoka-Waneta property owners.
